MEETING NOTICE

The next general meeting of the Minnesota Transportation Museum will be held on Sunday, May 23, at the Great Northern Depot, third floor at 7:30 p.m. C.S.T.

The featured speaker will be Mr. Richard Prosser, author of a book dealing with the history of railroads in the State of Minnesota. Mr. Prosser will speak about his soon to be published work and will answer questions from the membership. This will be the second of a series of lectures designed to enhance M.T.M. members, and their guests knowledge of Minnesota's transportation history.

The first lecture, ably presented by Byron Olsen, and William Luke dealt with a comprehensive history of the trackless trolley and its operations in Minnesota as well as the rest of the U.S.A. and Canada.

WORK STARTED AT DEPOT

Work at the Minnehaha Depot has been started, anyone interested in giving a helping hand please contact either George Isaacs or Herb Pinski or be at the Depot on May 22 with paint brush in hand. There is lots of work to be done so lets everyone try to give some time.

Dues and application blanks are coming in very slow and the Secretary asks that each member either bring them to the meeting or mail them as promptly as possible so the new roster of membership can be printed up without any further delay.

STUDY OF PERMANENT SITE

Two main sites still top the list for a permanent location for our museum, Fort Snelling and the Rosemont area. A complete study will be made of each site and presented to the board and then to the membership. The engineering study will be headed by Frank Sandberg.
